"The Story Princess of the Music Box" has the distinction of being one of the oldest regular programs in our broadcast schedule and has become of age this being its 22nd year of programming. The broadcast features "The Story Princess of the Music Box" assisted by her helpers, telling dramatized stories for elementary children. During this 22nd year of programming she told the following stories: "Why We Bob for Apples"; "Little Red Riding Hood"; "Millions of Cats"; "The Little Pumpkin that Wanted to see the World"; "The Court of Mother Gooseland"; "The Littlest Angel"; "Puss in Boots"; "Hickory Dickory, and Doc"; "The Boy Who Went to the North Wind"; "The Nose Tree"; "Tar Baby"; "The Three Little Pigs"; "Seven with One Blow"; "The Quest for the Talking Lamp"; "Raggedy Ann and Raggedy Andy"; "Winken, Blinken, and Nod"; "The Giant With Three Golden Hairs"; "The Ugly Duckling"; "The Vacation Time Story".

Students of the Radio Division who served as "Story Princess" were: Wanda Kelly, Wilma Fremder, Mariann Miller, Molly Strate, and Margaret Owens.

Her Helpers were: Jim Taylor, Wilma Fremder, Wanda Kelly, Tom Coldwell, Norma Nikolich, Eleanor Hinds, Pat Vanlandingham, Dot Anderson, Joan Benner, Beth Hemmenway, Joe Badger, Don Rhodes, Margaret Owens, Dave Platts, Joe Duncan, Yusuf Qutub, Don Krischak, Harrison Williams, Don Pesavento, Zianna Berglund, John Finster Dixie Vale, Sandra Dickerson, Lillian Schottenhamel.

SUMMER RADIO WORKSHOP

Each summer a special course for in-service teachers is offered in which these teachers learn by actually broadcasting on a daily schedule over WBOW. During the summer broadcasts were presented under the following headings: "Meet the Workshop"; "What Do You Know About Men?"; "The Story Book Princess"; "The Bookworm Club of the Air"; and "Health is Wealth".

STATE RADIO GUILD

Each year at Honor Day Convocation an award is presented to that senior who has done most to further an educational radio service of the College over WBOW. This year a Special Radio Division Award was given to Yusuf Qutub of Ramallah Jordan, for recognition of his outstanding work in developing a closer relationship between students from foreign lands and the students and townspeople of the area served by WBOW.

PLACEMENT

Although the Radio Division does not maintain a Placement Bureau, repeated calls for personnel are received from Commercial and Educational Stations. Graduates of the Radio Division will be found working in both commercial and educational stations throughout the United States.

STUDIO VISITORS

Since its creation, the Radio Division has extended to teachers, pupils, and townspeople an invitation to visit the studios to see broadcasts go on the air and to be conducted on a tour of the radio suite. Throughout the year hundreds of visitors toured the Radio-Television Center to see and hear both the radio and television work.
